3.1 Login and Register Interface

The screenshot displays a web interface for 'TestV2'. At the top, the text 'TestV2' is prominently displayed in a large, black, sans-serif font. Below this, there is a circular profile picture of a man with dark hair and glasses. Underneath the profile picture, the word 'Login' is written in a bold, black, sans-serif font. The login form consists of two input fields: 'Username' with the placeholder text 'example@gmail.com' and 'Password' with masked characters '.....'. Below these fields is a checkbox labeled 'Remember Me'. A large, yellow, rounded rectangular button with the text 'Login' in black is positioned below the checkbox. At the bottom of the form, there is a link that reads 'Need an account? [Signup](#)'.
